

## **GUARANTEED REPLACEMENT COST COVERAGE**

Narragansett Bay Insurance introduced Guaranteed Replacement Cost Coverage to the states of New Jersey on 06/15/2015, Rhode Island on 08/22/2015 and Massachusetts on 02/01/2016. We will now be expanding the offering of Guaranteed Replacement Cost to the state of New York for new policies issued (and renewal business processed) on or after 06/15/2016. If your home is destroyed by a covered peril, Guaranteed Replacement Cost will provide coverage to repair or rebuild your home as it was before even if the cost exceeds your Coverage A limit.
